

Dear Friends,

Please find below a list of 2012 gatherings of the **Sydney Light of Torah Community**. This is a central gathering point for those involved in Light of Torah initiatives in parishes, or who have participated in a Light of Torah tour, and others who have been involved in this movement in various ways.

You are warmly invited to any of these evenings as we explore the delights of the Torah; a chance to connect with others who are in touch with the Light of Torah vision.

Note that the first general gathering is pretty soon.... on **Friday 10 February**. As well as Torah reflection we will have the joy of launching **Vic O'Callaghan's new book "Days of Passion"** (a fruit of his 2010 Holy Land experience). More on that later, but for now – a date claimer for your diary. Hope you can join us!

Also, we still have places available on our **2012 Holy Land Tour**. So if you can give someone the 'nudge' to take the plunge and sign up for a very special experience, please do! Details at [www.lightoftorah.net/immersionexperience](http://www.lightoftorah.net/immersionexperience). Included below are pilgrim preparation dates.

Teresa Pirola
