Program

Situated in the heart of Jerusalem, this program enables the participants to explore in a new and deeper way the critical and familiar question

Who do you say that I am?"*

Matt. 16:15

Emphasis is placed on:

- a study of the Bible text and excursions through out the biblical land
- the search for a deeper understanding of Jesus and his heritage
- a study of Christian roots in Jewish traditions which shaped the religious experience of Jesus, and later, the church
- Familiarization with the Land and People of today.

*This program is sponsored by:
Sisters of Notre Dame de Sion.*

Formal courses by well qualified lecturers are offered and experienced guides lead the field trips to major biblical sites.
